Weller's Herbaceous Perennials

For Fall and Spring Delivery

Why You will Find Weller's Perennials the Best

Because we make a specialty of growing them to perfection, and make it our point to give you SERVICE, QUALITY AND VALUE. Our plants make REAL ROOTS, and what is more important to a Perennial than a GOOD ROOT SYSTEM?

GENERAL LIST

All plants offered in this list are strong, field grown, two-year-old, transplanted, unless otherwise specified, and biennials. Our Plants bloom the first season. Terms: 30 days; 2% in 10 days; 5% for cash with order. Packing extra at cost. Please state whether we may substitute in case we are short.

Those marked (*) are especially suited for cutting; those marked with (†) are best suited for rockeries. Those marked (●) are novelties.

In description the flowering period is indicated by the name of the months as May-June, etc.

● POLYCHROMA . This beautiful, rare plant is fast coming to the front, wherever it can be admired. Its unusual combination of flowers and foliage and afterwards its beautifully colored seed does not escape anyone's temptation. It makes a beautiful, formal plant growing about 1 foot high, forming a hemispherical clump covered with lemon-yellow, rose-shaped flowers in May and June. When the flowering period is over, little clusters of pea-shaped seed, coloring to a bright red, are formed at the top of each stem, making a beautiful contrast with the light green-colored foliage. A wonderful border and rockplant and a true Perennial.		1.75	15.00
FUNKIA (Plantain Lily)			
LANCEOLATA. Green foliage. Lilac flowers. 2 Ft. Sept.		1.50	10.00

PHLOX SUFFRUTICOSA (Early Flowering Hardy Phlox)

*MISS LINGARD.	Early white. 36 in.....	1.75	15.00
*MISS VERBOOM.	(New.) A clear, mauve pink, very identical to Pink Beauty. Early.....	1.75	15.00

●PINK BEAUTY. (Syn. the Queen.) A beautiful and very striking suffruticosa variety. The color is a clear mauve-pink, holding its color to the end and lasting twice as long as the Miss Lingard. It is fine for cutting and because of its earliness, and its rare color, a very valuable addition to the Phlox Family. Very identical to Miss Verboom.....

BUXUS SEMPERVIRENS WELLERI
BOXWOOD—WELLER'S HARDY NORTHERN TYPE

HARDESTY BOXWOOD ON THE MARKET
Survived 24 of Our Michigan Winters

THINK OF IT! You can fill Window Boxes and Plant Hedges and Ornamentals where you have been stuck since Quarantine 37, and better yet, it is grown right here in this country. And it has been tested for Hardiness. It's a new business for you, and what a business! You can grow it yourself if you wish or buy it without any strings.

FALL SHIPMENTS STARTING AUGUST 15

BUXUS SEMPERVIRENS WELLERI (Weller's Hardy Northern Type).

We grow more outdoor Hardy Chrysanthemum than any other grower in this country. One reason, because we love them. There is nothing more beautiful than a good field of Hardy Mums. Another reason, because our soil is excellent for the growing of Mums. They do well on sandy soils. Our Mums are always free from any disease, rot or blight and will grow anywhere with unusual vigor. See pages 5 and 6.

For Advertising Value during your fall season, there is nothing that gives more color to your sales place, nothing that draws more interest in nursery stock, than a good patch or block of Hardy Mums, planted where the public can see it without effort. There is no cheaper method to advertise your place of business. The above picture tells.

"THE MOST IDEALLY LOCATED PERENNIAL NURSERY"

ARMERIA GLORY OF HOLLAND (Weller's Strain)

A new and improved form of Armeria of true strain. The clear, deep, pink flowers of the size of a silver dollar are borne on straight, tall stems of 24 inches high, in large profusion throughout the summer. Really and truly a good thing. Fieldgrown plants at \$2.00 per 10; \$15.00 per 100
 Extra Fine For Cutting
